Buck was just passing through, taking a shortcut, but the sight of Cleo's naked body just lying there stopped him. He was in kind of a hurry, but he couldn't resist having a quickie, especially since his prick started getting stiff as soon as he saw those tits and that snatch!

Well, of course, Cleo had seen Buck taking a shortcut other times, and she liked what she saw. She wanted him to stop for awhile so she could suck the cream out of his cock and so he could ram his stiff dick up her juicy snatch. So when it was time, she just took off her clothes and got in his path!

Cleo sucked Buck's pecker until it was up good and hard, then backed her snatch onto his prong and impaled herself! It slid right up into her pussy, going deep, dragging a squeal of delight from her throat as its fullness invaded her wet tunnel of passion!

Buck's quicker was taking him longer than anticipated, but he didn't mind a bit. There was just so much great stuff going on: her sucking his dick, him ramming it up her pussy, him nuzzling her tits and licking her snatch—wow! He didn't care if he never made his appointment!

Wiggling her ass, Cleo pushed her muff into Buck's eager face, cooing as his tongue swamped her clit and slithered into her damp fuck-and-suck hole. The girl's oily pussyjuices streamed down her inner thighs and over his gasping mouth as he manched her tasty twat like a kid let loose in a candy store!

Buck's thick prick plowed into Cleo's salivating pussy with rapid, rhythmic strokes while his hands clawed at her wobbling tits, palming the nipples into aching hardness. Cleo's orgasm made her legs flail the air like a mantis in the throes of insect heat.

No hole is off limits for Buck's pecker, Cleo is happy to have it invading her puckered poophole, even though the thickness of his flesh makes her tender ass flesh scream for mercy. The screams are drowned out by the happy sounds of her body getting fucked royally!

There's something about this girl's pussy that intrigues him. He just can't seem to get enough of her. His tongue laps away, untroubled of time!

Cleo isn't complaining. Her tits are aching, her body is shuddering with one orgasm after another, and she loves Buck's trifling tongue on her happy twat!

Buck can take a shortcut through her yard—and her pussy—any time he wants!

No, he didn't lose his
watch. He's measuring
her pussy for more
adventures!

Buck isn't religious, but the missionary position is one of his favorites!

With a cock plowing her furry furrow, Cleo is in sexual heaven. Her screams of delight fill the room!

His excitement builds.
His pumping gets more
frantic. The juke boils in
his balls, ready to
bubble from his thrusting
prick!

Her pussy squirms, the
walls tightening on his
flesh. He moans, groans,
grunts. Curds of cream
jet onto her wagging ass.
Aaaaaaahhhhhhhhhhhhhhh!
